LEARNING TO LOVE.

ST MARTIN'S PARENT NETWORK

We invite our St Martin's parents and caregivers to join our Parent Network - a great way to get to know other families, share in ideas, and get involved in school activities and events.

Our Parent Network consists of parents and caregivers who are interested in supporting the school through fundraising and community-building events. It's a fantastic opportunity to meet people who are passionate about supporting our school.

While the executive is elected, membership of this group is less formal, with attendance at meetings encouraged, but optional. Some parents volunteer to be involved in only one event each year, while others support many.

We value all the help and support our parents and caregivers provide us in building our school community.

If you are interested in being a part of this vibrant and essential group of parents and caregivers, please come along to a Parent Network meeting. These events are advertised to our community each term. **We look forward to seeing you!**
